Name of Activity:

Workshop on "Mastering GenAI: Tools, Techniques, and Applications"

Photographs:

Type of Activity:

Student

Brief Description:

On October 16, 2024, the Department of Artificial Intelligence and Data Science at K. J. Somaiya Institute of Technology organized a workshop titled "Mastering GenAI: Tools, Techniques, and Applications." The session was conducted by experts from TCS, including Mr. Akhil Hada (Director, Data Science), Mr. Bharatkumar Patel (Enterprise Architect), and Mr. Sudeep Nair (Delivery Partner). It provided participants with a comprehensive understanding of GenAI, covering its applications, current trends, and challenges.

Objectives:

- Introduce participants to the fundamentals of GenAI.
- Explore its benefits, trends, and challenges.

No. of Participants:

Internal: 35

External: 0

Venue/Mode:

Lab 205

Key Points:

The workshop began with the introduction and felicitation of the speakers. Mr. Akhil Hada initiated the session with an overview of GenAI, emphasizing its relevance in the market. The interactive workshop included valuable insights from Mr. Bharatkumar Patel and Mr. Sudeep Nair, making it an engaging experience. The event concluded with a Vote of Thanks by Prof. Sheetal Jagtap.

Outcomes:

- Students gained foundational knowledge of GenAI.
- Participants developed critical thinking about its impact.
- Practical skills for responsibly using AI tools were enhanced.
